

Session Program

Dec 1 - 3, 2026

20. Aachener Membran Kolloquium 2026 and DGMT Poster Day

Bioseparations

Eurogress
Monheimsallee 48 52062 Aachen Germany

Wed, December 2

4:30 PM

Bioseparations: Bioseparations

Session | **Location:** Eurogress, Room K1

4:30 – 5:00 PM

From microfluidics to membrane

Speaker

Prof. Karin Schroën

5:00 – 5:30 PM

Development and characterization of biocatalytic membrane reactors

Speaker

Dr Martin Schmidt

5:30 – 6:00 PM

Enzyme functionalized nylon membranes for improving protein recovery from microalgae extracts of *Tetraselmis chui*

Speaker

Tim Schreiber

6:00 PM
